Candidates' examination results are confidential to the candidate. Following each examination phase the candidate can obtain their results by:

1. Accessing the College website. Results will be published by RCPA identification number only.
2. Contacting the relevant State or Regional Councillor, Corresponding Fellow or the Board of Education and Assessment Representative in New Zealand.
3. Contacting the College to speak to the Registrar or an authorised person.

All candidates will receive a letter giving their results and details of any progression to additional examinations.

Unsuccessful candidates will receive written feedback from the relevant Chief Examiner after completion of the examination cycle (August) and, where relevant, following the repeat examination period. In some disciplines, Part I reports might not be available until after the repeat examinations.

It is expressly forbidden for candidates or people representing them to contact Chief Examiners during examination periods.

Timing of Examination Results

Candidates will be advised individually by email of the date of publication of the examination results on the College website

May/June Part I and Part II Examinations:

Results will generally be published on the College website by 1 August.

August Part I and Part II Examinations:

Results must be ratified by the Chief Examiner for each subject immediately following the practical and oral examinations. Results will be published on the College website within 7 working days of the relevant examination completion.

Repeat Part II Examination:

Results must be ratified by the Chief Examiner for each subject immediately following the repeat practical and oral examinations and will be published on the College website within 7 working days of the relevant examination completion.

Pathological Sciences Examination

Results must be approved for publication by the Chief Examiner in Pathological Sciences and will generally be published on the College website 6 weeks after the examination.
