The Meritorious Service Award shall be for Fellows of the College and Fellows of Faculties who have made outstanding contributions to the College, but have not held the positions of President or Vice President.

Nominations will be called for each year, but the Award will only be made if a suitable nomination is received.

Procedure

Nominations for the Award shall be called for annually, with an appropriate closing date for nominations and time for assessments to ensure that any recipients can be advised in sufficient time to attend the annual Awards ceremony, held during Pathology Update in February/March each year.

Candidates for the Award shall be nominated by at least two Fellows of the College or Fellows of Faculties. Nominations shall be in the form of confidential letters giving detailed reasons for the nominations; completion of a nomination form is also required.

The Board of Directors shall consider nominations and the decision will be final.

The Award shall be conferred at the Annual Update Meeting or other similar occasion.

The Award shall be a suitable gift. In addition, at the Board of Directors discretion, the College may pay such expenses as airfares to attend the award ceremony, accommodation and other expenses.

The recipient's name shall be placed on the Meritorious Service Award Honour Board at the College.
